

Canyon Creek Elementary PTA Gift to School Grants

For the Canyon Creek PTA Gift of School this year, the general membership has voted to spend **up to \$13,000** in grants to pay for materials, activities or projects that are aligned with the mission statement and goals of the PTA.

Any staff members or PTA members may submit requests. Proposals must identify which students will benefit from the grant and demonstrate how the funds will be used.

A committee was formed using the Canyon Creek PTA standing rules; it is comprised of at least one executive PTA board member, assistant principal, principal, teacher and a general PTA member. The committee will evaluate each proposal and provide as many grants as the Gift to School budget allows. The selections will be based on the overall ability of the applications to support the mission and/or goals of the PTA for 2016-2017.

Mission Statement: “The Canyon Creek PTA will strive to support programs that serve every student, facilitate a sense of community through open communication, and celebrate the diversity of our school”

2016-17 Goals: Engage and embrace diversity at our school and build community; provide educational enrichment opportunities and support innovative ideas to benefit students; develop stronger ties with our community through targeted outreach; cultivate PTA membership.

Canyon Creek PTA strives to meet our mission by funding inclusive opportunities for students to grow through enrichment with ongoing programs and materials that meet the diverse needs of our students.
