September, 2014 Volume 37, Issue 1

Local unit #6.10.7

## Welcome back -

I hope you and your family had a fabulous first two weeks of school. I am very excited to be back in the swing of things. Since this is my first term as PTA President, I wanted to take a minute to introduce myself and tell you about upcoming events. My name is Melissa Kline and I have two sons at Canyon Creek this year, one first grader and one third grader. I am truly looking forward to working hard for our children and school.

Our biggest fundraiser event is approaching very quickly; it is our annual Walk-a-Thon on **Friday, October 3rd**. Get out your sneakers and help us raise money to support Canyon Creek staff and students! Our dollars raised go towards bringing fun family events (Science Night, Art Gala and NEW this year Family Fun Night) to our school, funding programs such as the art docent program, providing staff with enrichment opportunities, materials and so much more. We hope to contribute to some playground improvements this year in addition!

We would also love to see you at our first General PTA Meeting of the school year on **Tuesday October 7th**. Did you know we ONLY have 5 general meetings a year and we provide FREE childcare?

Finally, please remember to join the PTA! Our voice is important in this National organization, that advocates for children. Check out all of the great things going on at a national level at <http://www.pta.org/> or the state level at <http://www.wastatepta.org/>. Remember to stay up to date with our Canyon Creek PTA website <http://canyoncreekpta.ourschoolpages.com/Home> and "like" 'Canyon Creek PTA' on Facebook <https://www.facebook.com/canyoncreekpta>.

Sincerely,  
Melissa Kline

# Volunteer Opportunities

The PTA is looking for a coordinator for the **After School Homework Help** program at the Willow Tree Grove Apartments (next to Safeway at Thrasher's Corner) for the 2014/2015 school year.

This person would oversee a group of volunteers consisting of parents, junior high students, high school students and members of the community who come in 3 times a week to tutor Canyon Creek students. The program, which will begin in October and run through May, is held on Mondays and Thursdays from 4:00-5:00 and Wednesdays from 2:30-3:30 (except days without early dismissal).

If you are interested in volunteering for this program or want to get more information, please contact Paige Longdon at [plongdon@frontier.com](mailto:plongdon@frontier.com)

**Parent liasions** needed for the following teachers:

McLain	Hodgson
Krahn	Pope
Nakatsu	D'Entremont
Miller	Vancour
Barham	Booth
Larson	Baumgartner
Brush	Vaughan
Hemp	Romppanen

The parent liaison is responsible for forwarding emails to your classroom teacher to help keep them up to date on the events at the school and helping put together bingo baskets for your classroom once the donations come in.

If you are interested in helping, please contact Megan King at [705kings@gmail.com](mailto:705kings@gmail.com)

## Library Volunteers Needed!

The Canyon Creek PTA coordinates parent volunteers for our school library. The volunteers assist the librarian during classroom visits to the library by checking books in and out and re-shelving books. This makes a big difference in the quality of teaching and attention the students receive while in the library.

Library volunteers make a 45 minute commitment every week or every other week, depending on your preference. It is a great way to get to know the students in your child's class while helping our school.

We still have many classes needing volunteers! Please email Lisa at [lisa.chapman@usa.com](mailto:lisa.chapman@usa.com) to find out details regarding your child's class time and volunteers needed.

# Volunteer Opportunities

## Volunteers needed for Canyon Creek's Recess Running Club!!

Recess Running Club is a voluntary recess activity that students at Canyon Creek have the opportunity to participate in. Students run or walk around the perimeter of the dirt field (¼ mile) during recess on Tuesdays and Thursdays. Students have the opportunity to earn shoe tokens for miles they achieve. Last year over 700 students participated in running club and students ran 7,941 miles.

Volunteers will be needed to help monitor and record students' laps on Tuesdays and Thursdays, during recess from 11:20-12:55. Running Club will tentatively begin on Tuesday, September 23<sup>rd</sup> and will continue through the end of May.

If you are interested in periodically helping with running club please contact Megan Kearney (PE Teacher) at [mkearney@nsd.org](mailto:mkearney@nsd.org) or (425) 408-5718

Our runners love seeing frequent volunteers, but any volunteer time commitment you are willing to offer is welcomed!

## ART DOCENTS NEEDED!

Thanks to all of you who have already joined Canyon Creek's Art Docent Team this year. We are still looking for more parent volunteers to keep our program going strong. Volunteering to facilitate art projects is a great way to get into the classroom and support art in our schools. But you don't have to be an artist or a teacher! Art docents are given a handbook full of lessons, tips and guidelines to help you implement approximately one lesson per month. Plus, there are plenty of other resources, including the support of three coordinators, two trainings, and a myriad of experienced docents ready and willing to help. We welcome parents willing to be leaders as well as those more comfortable in a support capacity. If you'd like more information about our program or are ready to sign up, please contact us. Thank you!

### Members' Corner

Did you notice the new PTA banner at the ice cream social?

Are you wondering what **6.10.7** stands for?

You have heard that a strong membership helps our voice at the PTA national level. What does that mean?

**PTA** is a truly grass works organization whose main focus is the local unit:

OUR SCHOOL and OUR STUDENTS.

*So, what does 6.10.7 stand for?* Canyon Creek PTA is in the 6th PTA Region in Washington,  
the 10th Council and we are the 7th unit.

The more members we have at the unit level the more votes we get at the state level.

Issues PTA has legislated on in the past include education funding, closing opportunity gaps and school start times.

We're looking for a strong membership this year, our **goal is 430 members.**

**With your PTA membership** you get a Canyon Creek student directory as well as voting rights at PTA meetings (meetings are open to non-members too).

Available through the State and National PTA websites, members have access to: Parental resources, teacher resources, a section on the new common core standards as well as other educational tools.

Some business also offer discounts to PTA members. Great Wolf Lodge is currently running a program through December.

We are looking forward to a fantastic school year. PTA offers so many programs for Canyon Creek students and your membership shows your support. If you haven't joined yet, now is the time!

Colette Puoci  
Membership Chair

#### **Electronic Membership Cards!**

Every member registered will receive a welcome email from WA State PTA with all the information you should need, including your ID number and links to various resources available through the WA State ([wastatepta.org](http://wastatepta.org)) and National PTA ([pta.org](http://pta.org)) websites. If you have not received this email after 2 weeks of turning in your membership form or have any questions regarding membership please contact Colette Puoci at [puocimama@gmail.com](mailto:puocimama@gmail.com).

## ADVOCACY

### PTA Advocates for All Children

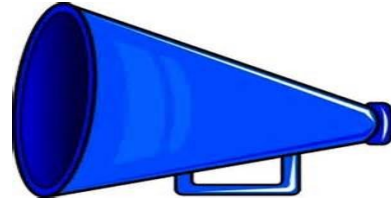

Did you know that PTA is the oldest and largest child advocacy organization in the country? Since inception in 1905, PTA has been a driving force behind the creation of kindergarten, hot lunch programs, universal immunizations in schools, early education (coining the phrase "preschool") and so much more. PTA advocates on behalf of all children on the important issues impacting education, health and safety.

Last year, your PTA came out in full force to advocate on 20 different bills covering topics such as extending foster care services, improving outcomes for homeless students, and increasing the credit hours needed to graduate high school from 19 to 24 so students can meet the minimum credits required by most universities and colleges.

PTA Advocacy can be as simple as being informed on the issues or expand to include attending/speaking at school board meetings, writing/meeting with your legislators, attending the PTA Focus Day Rally in Olympia in January, or testifying in front of the state legislature to put a face on important issues.

If you are interested in learning more about PTA Advocacy, contact Mindie Wirth at [mindiewirth@hotmail.com](mailto:mindiewirth@hotmail.com) to get connected.
