## Feeling Grateful...

Dear Canyon Creek Families,

We are extremely fortunate at Canyon Creek to have so many dedicated and caring people — parents, volunteers, teachers, staff — helping to make our school a great place for our students. At our final PTA meeting of 2016-17, we were able to honor a few of these amazing individuals through our local awards program:

- Outstanding Educators - Rebecca Andrick and Deanna Watson
- Outstanding Advocate - Robert (Bob) Graff
- Golden Acorn - Jeana Schroeder

All of these individuals have worked tirelessly in classrooms and around the school to mentor, teach, and build a stronger school community in a variety of ways. Congratulations and many thanks to each of our award winners this year for all of their hard work, dedication, and thoughtful contributions to our school and community!

While we're on the topic of appreciation-- the month of May is also host to National Teacher Appreciation Week, May 8th-14th, and National Teacher Day on May 9th.

Our PTA plans to celebrate all of our wonderful Canyon Creek staff that week in a variety of ways, including recognition for our teachers on National Teacher Day on Tuesday, 5/9, then we're joining forces with Mr. Denton & Ms. Bradshaw to host an on-site coffee cart for staff on Wednesday, 5/10, followed by lunch for all staff on Thursday, 5/11.

Please feel free to appreciate the teachers and staff in your own creative ways! If you need some ideas, visit the Main Office and ask to look at the "Staff Favorites" binder-- it contains information for many teachers regarding their likes and dislikes.

We are so grateful for all of our amazing Canyon Creek parents, volunteers and staff who work to make our school a strong learning community!

With gratitude,

Robin Zaback

President

### Northshore SEPAC & Northshore Council PTSA - Reading Presentation

#### Help Your Kid Decode:

##### What struggling readers don't know and good readers don't know they know

This parent education class is geared toward families who want more tools to help their kids read confidently and with less guessing and tears, from beginning readers to those struggling with multisyllabic words. The English language has a reputation for being all about rules that don't work. We'll discover that even though English is complex, it follows a lot more rules than it gets credit for. In this class we'll:

- study basic and advanced phonics,
- practice different ways to break words down into smaller chunks,
- discover how we go from counting out to sight words, and
- share tips for making reading easier for ALL learners.

Come join this FREE reading presentation on **Wednesday, May 10th** at the NSD Administrative Center (3330 Monte Villa Pkwy, Bothell). The final SEPAC meeting of the school year will be held first (6:45-7:00 p.m.), followed by the reading presentation (7:00-8:00 p.m.).

\* Bring a thumb drive for a quick material download you can use right away!
